ROOKIES ON THE ROAD STUDIO AT HOCKESSIN MONTESSORI SCHOOL

REGISTER NOW

Rookies is a music program designed for young learners with regardless of previous musical experience. Using the patented School of Rock Method, Rookies students have one weekly small group lesson where they learn music and experiment with the five main rock instruments: vocals, electric guitar, bass guitar, keys, and drums.

Little Wing is a fun-filled program full of movement, rhythm, and games, helping them internalize the foundational skills they will use as their musical abilities grow.
